

Laughter Yoga Information & Liability Release

Laughter Yoga is a fun and healthy exercise regime with beneficial effects for the body, mind and emotions. Like any form of aerobic exercise, it should not be practiced by people with medical problems without first taking advice from their medical practitioner.

Laughter Yoga should not be considered as a substitute for proper medical consultation for physical, mental and psychological illnesses.

It may not be suitable for everyone. Laughing involves some physical strain and a rise in intra-abdominal pressure. It is contraindicated for people suffering from

- Advanced (bleeding) piles
- Any kind of hernia
- Any persistent cough
- Anything with acute symptoms
- Epilepsy
- Heart disease
- High blood pressure
- Incontinence of urine
- Major psychiatric disorders
- Severe backache
- Or having undergone surgery within the last 3 months

This list is for guidance only and is not meant to be exhaustive. If in doubt, first consult a trained medical professional for guidance. Anyone already undergoing physician-prescribed therapy should seek the advice of their doctor before reducing or stopping such treatment.

Please use your common sense. If during a session you feel sudden or new pain please leave the session immediately, or advise the leader if you require assistance.
